Innocent Ekwu Brother In the Lord

INTRODUCTION

The testimony and information set forth in this book, are the revelation from God given to me - supernaturally and mysteriously for the consumption, assurance and education of the people of God on the earth and an end time warning to the unbelievers and all those on earth who have rejected the Lordship of our Lord Jesus Christ and have refused to accept and believe the teachings of the word of God in the Bible, considering them to . be unrealistic. God loves his children, as well as the unbelievers and the skeptics.

This is the reason he has used divers means and methods to warn and encourage them to accept and believe in our Lord Jesus Christ for the salvation and redemption of their soul. You will be inexcusable if after reading through this God given message in this book and you refuse to reconcile genuinely with God through our Lord Jesus Christ.

These revelations were given to me by our Lord in 1991 charging me thus "I have shown you these things that are real, go and confirm them to the world".

The events started on Saturday 29th June, 1991 when the Lord started dealing with me in some special way, passing me through some special experiences. The climax was July 18, 1991 when my spirit was briefly and temporarily caught up -into the other world and I laid. dramatically unconscious for reasonable period.

On the said date I encountered the spirit of death and I thought that was going to be the end of my life. I never knew that God deliberately design all the incidence to show me and enable me to grasp' some mysterious truth which" he wanted me to know: I had learnt much lesson after the experiences and I would have consumed the revelation myself and would have not bordered to tell the

story but for God's specific order to me in his own word saying **"I have shown you these things which are real go and confirm them to the world".** ",

In the event of my momentary encounter with the spirit of death on the climax of these special experiences which the Lord passed me through, I said my last words which was taped by a Pastor who was present at the time of the incident thinking that, that was going to be the end of my life. Below are the statements from the tape that was handed to me by those who were present when I said them during the time of my partial unconsciousness and deep spiritual state as I encountered the spirit of death momentarily and temporarily.

The following are the record of some of my last words 'as it was taped by the people who were there at the time of the incidence when I was saying the words. ,

"Beloved I have not disappointed you, Beloved I have not disappointed you. Fear not, fear not, fear not, fear not, for i have gone to be with the Lord.' Fcar not you shall meet me. Fear not. fear not, fear not, fear not God shall be with you. My father shall be with you. My God shall be with you. I have gone to be with the Lord. Fear not, fear not, fear not, fear not, for the Lord power in me shall rest upon you and you shall carry on my Ministry for my Ministry shall not die". .

"Tel my father, tell my mother, tell my brothers, tell my sisters, they should not sorrow, they should not sorrow, They should sorrow not for Lord shall take care of them.

Take care of my parents, take care of my brothers, take care of my sisters as you have always done. 1 have not disappointed you. I have gone to be with the Lord". " , . I

"The Iord shall be with you, the host of heaven shall be with you. Sorrow nol. I am not sick, sorrow not I am not diseased. I am going to be with the Lord.

I am going to the Kingdom of heaven where mansions have been prepared for me. I see glory set before me. I see. road shining like the stars, like many waters, glittering arid sparkling. And Angels guiding me to heaven from this place I am". .

"Weep not , weep not, I am going to be with the Lord. I am not sick, I am not diseased, I am not charmed, I Aa not poisoned. I am a man of God. I can not he charmed, I can not be hurt. But I am going to the kingdom of my father to be with the Lord".

"Do not take me body to any place for the glory of the Lord is upon me. My body is holy. My spirit is consecrated. My soul is blessed. Watch thou my body until I finally depart. Do not let any man, any woman who is not washed with the blood of Jesus Christ to touch my body for I am sanctified.

Take care from where I stopped and continue the work and, the Lord shall enrich you with all the riches that he has made available to me. I am going: to be with the Lord".

"I am not sick, I am not diseased but the glory of the Lord is upon me. I see Angels here with me to transport me, to the face of the Lord, who shall pay me according to the labour I have laboured for him. I am a stranger. I am a stranger. I am a stranger, and I am going back to where I came from. The world is not my home. I am going back to meet the Lord whom I have served, whom I have worked with. whom I have laboured for"

CHAPTER 1

JOURNEY TO THE HEAVENLIES

You must note that the revelations are supernatural and mysterious so that 'what I have done is to try my best to convey to the reader in 'words, the revelation, otherwise, they are so mysterious that what I have said are only a clue to the reader, to be able to visualize the revelation and try to grasp the message our Lord is conveying to us through the various revelations and mysterious sights.

(On the fateful period, by the will of our Lord Jesus Christ and never by my personal will or interest, I was caught up briefly and momentarily from this earth to the heavenlies where the living God, the Lord of the heavens and the revealed and; Showed us mysteries and charged me thus in his own words "I have shown you these things that are real, go and confirm them to the world" .

. This means the Lord purposely caught up my spirit to the heavenly places, to

show the mysterious truth and realities to me and to bring me back to confirm the realities to the people on the earth. At the time of the incidence, without early realization or fore' knowledge my spirit was suddenly caught up by our Lord Jesus Christ to the heavenly places. My spirit was transported to the heavenly places until I arrived the entrance gate of the kingdom of heaven.

THE OTHER WORLD, WHERE EVERY DEAD SPIRIT ARRIVES BEFORE THEIR ETERNAL DESTINATION

When I found myself in the other world, 'I turned left and right and observed it was an empty world, a world of vacuum. It had no structure and no direction. That is the takeoff point of every departing human spirit from this earth to their place of eternal destination either in Heaven or Hell. As soon as I found myself in that other world as I stood turning left and right, immediately, I heard a gentle and mild noise in the sky. When I heard the noise, I looked up towards the heavens and I saw something descending from the heavens towards that place I was standing in the other world. I beheld until the thing arrived and lay by my two feet. It was a road of glass running from the heavens to that place I was standing. The road 'is made of glass and shining, and it glitters like the surface of many waters and sparkles like the sun and like glass when the sun shines on it. The road is very narrow only about a foot size in the width while the length runs through from the heavens to the place I was standing. The road was so narrow so that it can only convey one person at a time. Two people can not walk through it *pari passu* except in a single file.

(Matt 7: 13-14; 13)

{Enter ye in' at the strait gate: for wide {is} the gate, and broad is the way, that leadeth to destruction; and many there be which go in there at:};

14{Because strait is the gate, and narrow is the way which leadeth unto life, and few there be that find it.

]Luke 13:24.

(Strive to enter in at the strait gate: for many, I say unto you, will seek to enter in, and shall not be able.)

∴,

The road was guarded by Angels on both side of it. But the Angels did not seem to be walking on that road but on the air by the sides of the road as the road can carry only a single person in a row of single file and not by side walk.

When the road landed exactly by my two feet before me, I walked on it guarded by the angels until I arrived by the entrance gate into the kingdom of heaven. I passed through' the gate and walked into the kingdom of heaven with the angels that guarded me along the road, As soon as I crossed the gate and entered into heaven, the angels that guarded me left. I did not see them again. Immediately, other two angels came to receive me after I pass through the entrance gate. These two angels received, me and dress me with some white shining and glittering elements in round form. When they finish dressing me with those. shinning elements they left. I did not see them again. Immediately, other two angels came and stood by me one by my right hand side, the other by my left hand side. -

JOURNEY OUT OF HEAVEN TO THE OTHER HEAVENLY PARTS

As they stood by me, it appears my body and theirs came under one control so that when they moved I would move and when they stop I would slop. Suddenly, they moved and I moved too and we were all walking step by step and we walked through the kingdom" of heaven and walked out of Heaven through another out let or gate different from the one I came by. So we walked out of heaven and started travelling in the clouds down wards. We were travelling as though we were coming towards the earth. All this while i knew not where we

were going and my mouth was seriously tight and i could not speak and I did not even want or attempt to speak. I was wrapped and overwhelmed with the glory in heaven and my mouth was seal or closely tight with the heavenly glory. I was simply mopping and only seeing, seeing and seeing and could never say a word, neither did I have any urge of saying a word

I thought I was going to heaven to stay finally. I thought I had finally left this sinful and wicked world to go home to heaven for perpetual rest and glory. I never knew that the Lord only took my spirit to show me mysteries of the heaven and the heavenly places and the realities of his word and asked me to come back to the earth to confirm them to the world. This. was how I found myself in the heaven not by my will or intention but by the design of our Lord Jesus Christ who is also the Lord of all people and creation in the universe. He picked my spirit momentarily from the earth to heaven and showed me many hidden things and mysteries and brought my spirit back with a charge to declare what I saw to the whole world.

CHAPTER TWO

LUCIFER AND HIS THRONE REVEALED

With the two Angels, one by my left the other by my right, we moved out of heaven and started travelling down ward in the clouds. We continued travelling steps by steps and travelled as though we were coming down ward towards the earth under the heaven. We continued until suddenly we arrived a kingdom in the air with a throne in the centre of the kingdom. This was very much under the heaven in the cloud. Arid we walked into the kingdom and stood by. It was then I realized and knew that i was being shown Lucifer and his thrown.

Many have argued that Satan do not exist and or that Satan is a fictitious name. I want to humbly and sincerely confirm that the existence of Lucifer the fallen arc angel who is called Satan is a reality and factual. As we stood by his kingdom and his throne, I saw Satan with my two eyes and he saw me and the two Angels who stood by me.

The kingdom of Satan the fallen Lucifer is situated in-the sky under the heave in the Cloud. The throne of Lucifer is positioned in the center of his kingdom.

Isa 14: 12

How art thou fallen from heaven, Oh Lucifer, son of the morning? how art thou cut down to the ground, which didst weaken the nations.

Ezek 28: 13-19.

13 Thou hath been in Eden the garden of God; the precious stone was thy

covering, the sardius, topaz, and the diamond, the beryl, the onyx, and the jasper, the sapphire, the emerald and the carbuncle, and gold: the workmanship of thy tabrets and of thy pipes was prepared in thee in the day that thou was created.

14- Thou art the anointed cherub that covereth and I have set thee so: Thou was upon the holy mountain of God: thou has walked up and down in the midst of the stones of fire.

15 Thou wast perfect in thy ways from the day that thou wast created, till iniquity was found in thee.

16 By the multitude of THY' merchandise they have filled the midst of thee with violence, and thou hast sinned: therefore I will cast thee as profane out of the mountain of God: and I will destroy thee, O covering cherub from the midst of the stones of fire.

17 Thine heart was lifted up because of thy beauty, thou hast corrupted thy wisdom by reason of thy brightness: I will cast thee to the ground, I will lay thee before kings, that they may behold thee.

18. Thou hast defiled thy sanctuaries by the multitude of the iniquities, by the iniquity of thy traffick; therefore will I bring forth a fire from the midst of thee, it shall devour thee to ashes upon the earth in the sight of all them that behold thee.

. 19 All them that know thee among the people shall be astonished at thee : thou shall be a terror and never shall thou be any more

Lucifer as I saw him, he is a wild, violent and destructive figure. He is very wild, roaring, violent, angry and furious, lie 'is like a very wild and angry lion. He . hehaves like a mad dog not knowing brother not knowing friend. He runs helter skelter roaring around the atmosphere not being steady and not at peace with himself. He looked worried and acts in hurry as though time and events

were running against him. He is tireless and persistent in character. All these he exhibited in his kingdom as we stood by watching him,

1 Pet. 5: 8.

Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom to he may devour

~

LUCIFER COMMANDS THE WHOLE WORLD COMPELLING THEM TO HIS WAYS

As we stood by Lucifer's' throne watching, he was commanding the four comers of the earth declaring what he wants to happen in a very angry and roaring voice. He would turn to the Western part of the world and declare what he wants to happen. He would turn to the Northern pan of the world and announce what he wants to happen. He would turn to the Southern

parts of the earth and would declare what he wants to happen. This he does angrily with bitterness giving the wicked world instruction as though the wicked world were his kingdom which he rules from his throne in the cloud and as though he was the god of the world which the Bible warned us about.

LUCIFER POURS OUT SATANIC SPELL UPON THE PEOPLE LIVING ON THE EARTH TO COMPEL THEM TO HIS WAYS

As I continued watching Lucifer in his kingdom behave himself wickedly, I saw that as he commands the four corners of the earth, declaring what he wants to happen, He releases some discharge from his mouth which pours out and showers upon the earth like an early morning dew or a harmattan dew or water particles unseen by the human eyes. As Lucifer's satanic spell and forces comes from his mouth and showers on the earth and compel people to do those things he is commanding on the earth and as I continued observing, I saw that as the dew like satanic force continue to fall from Lucifer's mouth each time he opens his mouth, multitudes of people in the earth were being compelled against their wishes. As the 'dew like' forces and spell which ordinary eye can not see falls on their head, they would prostrate and immediately start to do what Lucifer has just been commanding, And Lucifer commands specifically various countries *and* people of - the world towards evil and destruction, confusion and chaos, distress and disaster. He also commands the various governments of the world towards his direction and the satanic spell would shower on the government officials and they would not know it but they will immediately start to think towards the direction of the devils command without realizing because the satanic spell will be infused into them and the thoughts and ideas of the devil will over shadowed their mind and thoughts. The devil controls multitudes of people and various nations and their government through his satanic spell and compelling forces. His force compels people contrary to God's will or interest

into -satanic interest and design. Naturally, nobody no matter how intelligent or highly placed can resist the satanic force except he is born again and washed with the blood of our Lord Jesus Christ, Many people are in some form and kinds of bondage and captivity without realizing it. Many are in obedience to satanic instruction and command without knowing it. Many have been drawn out of God's way into satanic objectives and directions by compelling satanic powers and forces which they neither see nor realized. These forces work through the mind and will of people by injecting thoughts and ideas of the devil so that people think it was their thought or ideas not knowing that it was the devil.

I Peter 5:8

Be sober, be vigilant, for your adversary the devil, as a 'roaring lion, walketh about, seeking whom he may devour. .

THE SATANIC SPELL DO NOT AFFECT AND DO NOT
INFLUENCE THE JESUS PEOPLE ON EARTH ,
.'

As I observed, I also saw that there are some class of people living on the earth, whom when the satanic spell will fall upon them instead of compelling them to Satan's will as with the other group of people, it will fall off the heads of this group of people and the spell and forces will fall away as though there was an unseen covering like water proof, which eye can not see over their heads. These are the Jesus people on the earth.

Those who feel a strange influence, domination and manipulation of their mind body within them by satanic or negative forces should immediately: seek for deliverance from an anointed Minister of Christ, because the devil has released wicked spirits in to the world to mislead many. I should also mention that when we arrived Lucifer's kingdom in the clouds, he was not seated on his throne but he was seen roaring and running around, releasing satanic forces to

the into the world to compel people to obey his ways. Satan is not king seated and resting, He is a king of darkness working round the clock to destroy and lead the world against God's righteous way.

2nd Corinthians 10 Vs 4 – 5.

4 For the weapons of our warfare are not carnal, but mighty through God to the pulling down of strong holds, 5. Casting down imaginations and every high thing or thoughts that exalt itself against the knowledge of God, and bringing into captivity every thought to the obedience of Christ .

-

While all these events lasted and as we continued to watch while standing by the kingdom of Lucifer, the Lord spoke in a loud voice which sounded and thundered in the air from Heaven into the kingdom of Lucifer saying "**THIS LUCIFER SHALL BE THROWN INTO THE ABYSS VERY SOON**" The Lord was informing me that Lucifer who is called Satan will be thrown into the Abyss very soon.

As soon as the voice thundered in the air declaring the message, the two Angels moved and I moved as well and we travelled out of the kingdom of Lucifer in the Clouds and continued travelling until we arrived another destination of mysterious sight.

(Luke 10: 17-20.

17 And the seventy returned again with joy, saying, Lord even the devils are subject unto us through thy name.

18 And he said unto them, I beheld Satan as lightening fall from heaven.

19 Behold, I give unto you power to tread on serpents and scorpions, and over all the powers of the enemy: and nothing shall by any means hurt you.

20 Notwithstanding in this rejoice not that the spirits are subject unto you; but rather rejoice that your names are written in heaven.

. 'CHAPTER 3

ABYSS THE BOTTOMLESS PIT REVEALED

A

s we left the kingdom of Lucifer and started moving further, we continued traveling in the midst of the cloud. On my part I never knew where we were going to, I was only following as the power and glory that wrapped us was leading and carrying us from one sight to the other.

We travelled this time until suddenly we arrived the land of Abyss, where I was taken and shown the abyss - the bottomless pit and i was brought to the mount of the Abyss and the Angel on my right hand said to me “ beheld the bottomless pit”.

Abyss is the bottomless pit where Satan the fallen Lucifer will be thrown into' for one thousand years within which period our Lord Jesus Christ will be reigning and ruling the world during the millennial reign. The Millennium. At those one thousand years, Lucifer will never have reached the end of the pit as he will be tumbling day and night until the one thousand years expires without him ever reaching the end or bottom of the pit.

When we got to the side of Abyss, that is where the abyss the bottomless pit is situated. I was led to the mouth side of the bottomless pit and the Abyss was shown to me. For some time, myself and the two Angels stood by the mouth

side of the bottomless pit, the abyss watching and as I beheld and watched, I observed that the surface of the land upon which Abyss was situated is a very dark one and the bottomless pit was in the center of the land. The bottomless pit-the abyss is like a well, a pit with an oval, roundish and transparent cover used to cover the mouth of the

bottomless pit. The bottomless pit is filled with very thick darkness from the top level surface to the deep of the pit downward so that one can not see an inch beyond because of the strong darkness that filled the bottomless pit.

THE ABYSS IS LOCKED WITH A STRONG PADLOCK

"

The mouth of the-Abyss and the oval roundish cover is locked with an iron padlock. I stood for some time by the abyss - the bottomless pit watching and viewing the mysterious things being shown to me.

Dear reader, I wish to assure you that as it is recorded in the Holy Bible so it is. Abyss is a fact and a reality. I saw it, I stood by it, I viewed and beheld it for some time. It is real. God is serious with all his writing as in the Holy Scriptures. Please take heed to them and have a change life by receiving Our Lord Jesus Christ in to your heart as your personal Lord and Savior, who gave His life and died for our sins, and was buried and on the third day He resurrected and now sits on the right hand of God so that all who believe in Him will not perish but have everlasting life.

THE VOICE OF GOD THUNDERED IN THE ABYSS SAYING

While I stood by the mouth of the Bottomless pit watching and viewing those mysterious sights and revelations, suddenly the Lord spoke with a mighty voice which sounded and thundered in the air where we were standing by the bottomless pit saying in quote "**This Satan shall be thrown into the abyss bound**" The Lord was informing me that the Satan, the fallen Lucifer shall be thrown into the abyss bound.' He had informed me earlier as we stood in

Lucifer's kingdom that Lucifer shall be thrown into the abyss very soon; when he said in quote "**This Lucifer shall be thrown into the Abyss very soon**".

Rev. 20:1-3.

I And I saw an angel come down from heaven, having the key of the bottomless pit 'and a great chain in his hand.

2 And he laid hold on the dragon, that old serpent, which is the Devil, and Satan, and bound him a thousand years, 3 And cast him into the bottomless pit, and shut him- up. and set a seal upon him, that he should deceive the nations no more, till the thousand years should be fulfilled: and after that he must be loosed a little season'.

CHAPTER 4

IRON CHAIN TO BIND SATAN REVEALED

A

After a while the voice of the Lord sounded while we stood by the mouth side of the bottomless pit saying "**This Satan shall be thrown into the abyss bound**". Suddenly we moved out from the position of the bottomless pit and we started moving and travelling further in the midst of the cloud.

This time we continued again travelling through the clouds, myself and the two Angels who are permanently by my side, one on my left hand side and the other on my right hand side. We travelled until we came to a land where I was led to a place and was shown a heap of iron chain, dark in colour. The heap of chain is the iron chain the Almighty God has prepared which will be used to bind and chain Lucifer also called Satan before he would be thrown into the bottomless pit.

The Lord had design that Lucifer will be bound with chains of iron before he will be thrown into the bottomless pit. So the Lord was showing me the iron chains, already prepared and made ready for the binding of Satan - the fallen Lucifer before he will be thrown into the abyss, the bottomless pit.

The Lord had also spoken to me earlier while we were by the bottomless pit

saying "**This Satan shall he thrown into the abys bound**" So this time, he decided to show me the chains already prepared and made ready to confirm the realities of his word. As I stood by the heap of the chain with the two Angels, I saw that the land upon which the chain was kept was a very dark one, The colour of the surface of the land was as dark as charcoal and there was no grass growing on the soil. It was bare and desolate land.

0-

I also observed that the chain was only one chain but very long so much that it made a heap when it was kept together on the ground:

Rev, 20: 1 -3.

1 And I saw an angel come down from heaven, having the key of the bottomless pit and a great chain in his hand. 2 And he laid hold on the ' dragon. that old serpent, which is the Devil, and Satan, and bound him a thousand years, 3 And cast him' in to, the bottomless pit, and lock him' up, and set a seal upon him, that he should deceive the nations no more, till the thousand years should be fulfilled: and after that he will be loosed a little season. .

These things are signal and connotes that Abyss is real is. It is showing that the fulfillment of the time is just at hand. It is showing that the time of the coming of the Lord Jesus Christ to harvest the world is very very imminently near. Every thing is at the final stage. I encourage you who is opportune to read through these lines to consider the urgency of these matters and prepare adequately to meet the Lord either through death or' through his appearing when it is the time for rapture.

I encourage you to take serious these messages and have a change of heart in time a genuine commitment and dedication to the Lord Jesus Christ who is the Saviour of the world. As you take true and sincere stand with Christ your saviour, reconciling with him to escaping the damnation to come" Endeavour to pass the message of this writing to others. You will be saving a dying soul by not keeping this message to yourself but passing it on to many around you.

HELL FIRE THE LAKE THAT BURNETH WITH FIRE AND BRIMSTONE SHOWN TO ME.

MY JOURNEY TO THE SHORE OF HELL FIRE THE LAKE THAT BURNETH WITH FIRE AND BRIMSTONE.

After our stay in the land of chains where I was shown the iron chains prepared and made ready with which Satan - the fallen, Lucifer will be bound, before he will be thrown into the abyss, we *left* the scene and continued to travel further in the thick clouds.

Some thing unique and special happened from the time we left the land of chains. As soon as we left the spot, making a step forward in our trip I saw a mighty glory shinning forth from my body and that of the Angels like a mighty light or shining and oozing forth. The glory was shinning forth from our heart like a light from us to about half pole and over.

The glory will shine as a great, light in the midst of the cloud as we marched forward in our trip. This glory was not shinning so in all our previous journey as I explained earlier.

The shinning started at the moment we left the land of chains and started marching forward. When I saw the glory oozing from our body I was wondering, not knowing the purpose but I could not speak as my mouth was totally sealed by God's glory so that I could not say a word neither did the Angels with me say anything about the glory that was shinning and oozing forth like a mighty light.

This time we travelled very far in the clouds more than we have ever travelled

earlier before arriving any of the places I have already talked about. But as much as we travelled so the glory continued shining forth. As we continued in the journey i realized that we have travelled past this earth and have gone downwards under the earth or beneath the earth.

MY ARRIVAL AT THE SHORE OF HELL FIRE THE LAKE THAT BURNS WITH FIRE AND BRIMSTONE

As we travelled on, suddenly in front of us. I saw a sight of a forum with burning flames and furnace of fire burning and boiling. As we continued and came near I saw a site that is like an ocean filled with fire as the' ocean is filled with water. And the fire was burning and fuming. It was then i realized that I have been brought to the shore of Hell fire, the lake that burneth with fire and brimstone.

And It was then I realized that the glory which we were clothed and covered with and which was shining forth from us was covering and protecting us so that the fire and the heat of hell fire will not touch us and so that we do not feel the heat of the burning and boiling furnace. All the time we stood by the shore of Hell fire watching and seeing mysteries, we were not touched by the fire or heat of hell fire, neither did we feel the fire nor the heat.

The fire of hell is not made for them that are washed with the blood of our Lord Jesus Christ, who was the lamb that was slain from the foundation of the world. Hell fire is made for them that rejected our Lord Jesus Christ and his saving grace and for those who has and are calling the death on our Lord Jesus Christ at the cross of calvary for the sins of the whole world useless by refusing to accept Jesus Christ as their personal Lord and Saviour and refusing to repent from every known sins and being born again by receiving receiving Jesus Christ into their heart as Lord and Saviour.

Ps 9: 17

The wicked shall be turned into hell, and all the nations that forget God.

Rev. 20:10,14,15

And the devil that deceived them was cast into the lake of fire and brimstone, where the beast and the false prophet are, they shall be tormented day and night for ever and ever.

And death and hell were cast into the lake of fire. This is the second death.

15 And whosoever was not found written in the book of life was cast into the lake of fire.

Matt. 23 :33

*Ye serpents, ye generations of vipers, how can ye
. escape the damnation of hell*

Matt 25:41

Then shall he say also unto them on his left hand, Depart from me, ye cursed, into everlasting fire, prepared for the devil and his angels

I SAW THE RICH MAN IN HELL

When we arrived the place where Hell fire is situated, the Angels carried me to a side of Hell fire where the rich man who went to Hell in the time of Moses was located. The rich man was the first person shown to me when we arrived by Hell fire. Immediately we arrived at the shore of Hell fire, the Angels took me to the,

part of Hell fire where the Rich man was situated and showed him to me in the midst of the ocean of fire, suffering and languishing in horrible pains and torments. When they showed him to me, I looked into the fire and beheld him and the glory

on us shone into that part of the fire. I beheld him and continued watching him with the two Angels by my sides. As I watched him in Hell he was severely under indescribable pains, sorrow, torments and regrets.

He was badly being tormented by the fire without mercy and without regard. I watched him with my two eyes screaming and wailing in pains, crying with bitter cry but nobody listened. It was a horrible sight.

Luke 16:19-31.

19 There was a certain rich man, which was clothed in purple and fine linen, and fared sumptuously every day: 20 And there was a certain beggar named Lazarus, which was laid at his gate, full of sores.

21 And desiring to be fed with the crumbs which fell from the rich man's table: moreover the dogs came and licked his sores.

22 And it came to pass, that the beggar died, and was carried by the angels into Abraham's bosom: the rich man also died, and was buried;

23 And in hell he lift up his eyes, being in torments, and seeth Abraham afar off, and Lazarus in his bosom.

24 And he cried and said, Father Abraham, have mercy on me, and send Lazarus that he may dip the tip of his finger in water, and cool my tongue for I am tormented in this flame,

25 But Abraham said, Son, remember that in thy life time receivedst thou good things, and likewise Lazarus evil things: hut now he is comforted, and thou art tormented. 26 And beside all this, between us and you there is great gulf fixed: so that they which would pass from hence to you cannot; neither can they pass to us, that would come from thence.

27 Then he said, I pray thee therefore, father, that thou wouldest send him to my

father's house:

28 For I have five brethren; that he may testify unto them, lest they also come into this place of torment.

29 And Abraham said unto him, they have Moses and the prophets; let them hear them.

30 And he said, Nay, father Abraham: but if one went unto them from the dead, they will repent.

31 And he said unto him, If they hear not Moses and the prophets, neither will they be persuaded, though one rose from the dead.

I SAW LIVING WORMS AND MAGGOT ALIVE AND MOVING IN HELL

While I continued to watch the rich man in his torments in hell fire, looking deep in the fire I saw to my amazement and surprise very big living worms *and* maggots, very fatty ones, moving around the fire by the rich man and I could not understand. I was filled with surprise and amazement, so I shivered wondering the mystery of living worms and maggots in a burning furnace **of fire** of the **size** of an ocean of fire. When I shivered wondering and perplexed, the Angel by my right hand side turned and looked straight at me, gazing at me for moments.

Suddenly, while he was looking straight at me, a realization ran through my whole being saying "The worms and maggot of hell dieth not" At that moment, I was able to understand the mystery of the living maggots in I **Hell** fire and that it is God's word that worms and maggot of Hell fire dielh not.

(Isaiah 66:24

And they shall go forth, and look upon the carcasses of the men that have transgressed against me; for their worm shall not die, neither shall their fire be quenched; and they shall be an abhorring unto all flesh.

Mark 9:43-48.43

And if thy hand offend thee, cut it off, for it is better for thee to enter into life maimed, than having two hands to go into hell, into the fire that never shall be quenched:

44 Where their worm dieth not, and the fire is not quenched.

45 And if thy foot offend thee, cut it off: it is better for thee to enter halt into life, than having two feet to be cast into hell, into the fire that never shall be quenched:

46 Where their worm dieth not, and the fire is not quenched.

47 And if thine eye offend thee, pluck it out: it is better for thee to enter into the kingdom of God with one eye, than having two eyes to be cast into hell fire:

48 Where their worm dieth not, and the fire is not quenched.

THE GATE OF HELL AND THE GUARDING ANGEL

Before the incidence of these revelations to me, I have been hearing about the gate of Hell. And the Bible said "the gate of Hell shall not prevail". I never knew the significance until I was carried to the gate of Hell during the incidence of these revelations. Hell is a prepared forum, a designed place. Hell has only one gate, part way into Hell fire.

After our stay by the shore of hell fire where the rich man was, I was carried to the gate of hell. When we arrived the gate of hell, the gate was very widely open to the last capacity for express entrance of people meant for Hell fire.

When we came to the gate of hell, we met one mighty Angel of God who is kept to watch over the gate of Hell. The Angel is dressed with a long gown or robe running to his toes. The Angel do not talk neither with Angels nor with demons nor with people. It is not appointed unto him to talk. His duty is only to watch over the gate of Hell.

When we arrived the gate of Hell, the only interaction we had with the Angel at the gate was that he gazed straight on us for a while and then left the part of the gate he was standing when we arrived and shifted to the other end making way for us to stay at the earlier end he was when we met him.

It was at the gate of Hell that we stood through out our stay by the shores of Hell fire. I saw mysteries with my two eyes, as I will try to convey in these writings. Anything that passes through the gate of hell fire into it never comes back. It is a one way trip entrance and no return. Anything that enters into hell do not come hack. I saw that the angel that watches the gate of Hell fire never crosses the border line of the gate of hell. Hell fire is a terrible and horrible place. Please be warned and be careful. Take heed to yourself and guard against hell fire.

Matt 16:18

And I say unto thee, That thou art Peter, and upon this rock I will build my church; and the gates of hell shall not prevail against it)

THE SIZE AND SOUND OF HELL FIRE

All the while I stayed by the shore of Hell fire, no measurement of the size of Hell was given to me but for the purpose of description as I saw Hell fire, the size of Hell fire is not short of that of an ocean like the Atlantic ocean or the Pacific ocean. Hell is an ocean of fire burning and boiling. Hell fire swallows and never gives any sign of being filled. Hell fire is never filled no matter how much it consumes. Hell fire can swallow every human being on earth and it would not give any sign of being **filled**.

Hell fire is a reality. It exist and it is **a** horrible place **design to** torment the spirit of unbelieving **people** for every day and night forever and ever. Every body should be warned. There is no word that can be used to adequately convey the **horror**, torments and pangs of pains and sufferings that is in Hell

fire.

Hell has a terrible **sound** of Horror, bitter cryings and screaming of pains and **sorrow**. All the while, I stayed by the shore of Hell fire, the cry of millions of people in Hell, men and women, great and small was coming up and sounding in unison giving a sound of perishing multitude who are sealed **unto** eternal **damnation**. As I stood viewing and watching, the atmosphere **of Hell fire** was filled with **very bitter** sound of crying. And the shout was oozing out **from** the heat of the furnace of fire.

I was hearing them screaming constantly and every moment Ah-Ah-Ah-Ah-Ah-Ah-Ah-Ah, screaming and crying with heart breaking and shocking cries, one of terrible -bitterness. So, you cannot help but to weep and run away from the scene, if one could run. The cry of the perishing multitude made hell very **noisy** and high sounding atmosphere. Hell is a solitary and isolated zone filled with bitter screaming and cries of horror and hopelessness.

I sincerely assure that for one moment of a second you cannot withstand the horror of hell fire, the bitter sight and the noisy sounding cries of hopelessness of the inmates. The bitterest of Hell fire is that as they cry ever Ah Ah Ah Ahh Ah Eh **Eh Eh Eh Eh Eh Eh** Eh Ah Ah Ah **Eh Eh Eh**, they shall continue so forever and ever without ending. I observed that the people **in Hell** are not **tired** of crying. They cry **ever** and so shall cry forever.

Prov. 27:20

Hell and destruction are never full so the eyes of men are never satisfied.

Matt 25:41,46. 41

Then shall he say unto them also on the left hand, Depart from me, ye cursed, into everlasting fire, prepared for the devil and his angels

46 And these shall go away into everlasting punishment: but the righteous

into life eternal.

THE AIR SURFACE OF HELL FIRE AND PEOPLE WHO CAME TO HELL IN MY PRESENCE

In hell fire, there are already millions and millions, uncountable multitudes languishing in the torments **and pains** of hell fire. Surprisingly, as I stood with the two Angels by the **gate of hell** watching and viewing, many other people were coming to hell fire in my presence. While I stood, I was hearing a flinging sound - flam - flam - fiam - flam -fiam - fiam - fiam - fiam these were people who were coming to hell fire in my presence. Every second many unbelieving souls are coming to hell fire falling sharply and swiftly into it.

As I watched, from the air space of hell fire I beheld many souls falling into Hell. While they are still in the atmosphere I heard them start screaming and crying bitterly for help and assistance. They were wagging in bitter pains shouting for help until they will fall and sink into the furnace of fires without any help or assistance.

Many came to hell fire all the moments I stayed by the shore of hell. People goes to Hell every second without restraint.

The air surface of hell fire is saturated with heat, it is like an oven so that people arriving hell fire start receiving their torments and pains of horror while still in the atmosphere arriving before falling into the furnace of fire.

NO MERCY IN HELL FIRE

What worried me most was the fact that no matter the much the millions and millions of people in hell fire and those arriving cries, no help was given, no pity was shown. Even the Angel that watches the gate never showed any pity. He never showed any mercy or concern for the perishing people. I then realized that on arrival in hell there is no more mercy remaining for the individual so that the

time of mercy ends while we are still alive. While I was watching I wished I had little power to go into the fire and start bringing out the perishing millions out of the fire but I had no such power. God's own compassion is exhausted with the people who rejected Jesus Christ as their Lord and Saviour and who failed to live their lives to the pleasing and glory of God, when they die without repentance and salvation.

There were two particular people among those who came to hell fire in my presence, as I saw them falling into hell fire with bitter cry it appears like it was surprising to them when they realized that they were landing in Hell fire the place of torment and eternal sorrow. Many are going to hell fire who do not expect they will go to hell fire. Many will be surprise to find themselves only in Hell fire instead of in Heaven. We need carefulness and sincerity in our relationship with God through our Lord Jesus Christ.

THE HILLY SLOPE AND THE ROAMING DEMONS IN FRONT OF THE GATE OF HELL FIRE

Outside the gate of Hell there is a wide range of land like a mass of valley followed by a sharp sloping hill. Many souls on arriving the hill top are flung by an unseen power straight away into Hell fire without restraint. And they will sink into the burning furnace of fire with bitter cries and sorrow calling for help without any help coming.

And many found themselves in Hell fire with surprise. The wide range of valley is occupied by many horrible looking demons spirit roaming the **range** of land with destructive weapons and instruments as I saw them. The Angel that watch over the gate of Hell do not communicate with the roaming demons. They do not **talk** to themselves neither do they interact in any way or form. I was informed that in a short while at the fullness of time the demons will be thrown into hell fire, where they will be confined for eternal punishment.

They were doing their last hour operation of deceiving people to perish with them eternally in the eternal fire of hell.

Rev. 20:10.

The devil that deceived them was cast into the lake of fire and brimstone, where the beast and the false prophets are and shall be tormented day and night for ever and ever.

THE TRANSPARENCY OF THE FIRE OF HELL AND THE SYSTEM OF TORMENTS OF THE FIRE

The fire of hell is very transparent so that if you look into the fire you will see every thing in the fire as far as your eye can go. The fire of Hell is a very bright but tormenting and pain inflicting one. I saw the masses of people in the hell fire weeping and crying from moment, to moment without getting tired and getting help or mercy.

Another mysterious thing about the fire of hell is that the fire behave like a living thing. It has a system of tormenting and inflicting pains on the people in Hell. The fire torments systematically. The fire has a stinging and horrible tormenting power. It would sting the people by the right hand **side** and they would cry and scream bending to that direction screaming. And it will leave **them** there and sting and torment them the next second on the left hand side and they will shout, cry and scream Ah Ah Oh Oh Ah Ah Oh Oh. And turning to that direction the fire will leave them again there and sting and torment them in their front side and they will shout, cry and scream with bitterness and horror, weeping and turning to that direction with screaming Ah Ah Ah Ah Oh Oh Oh Oh, crying and sorrowing. The fire will immediately leave them there and torment and sting them in their back side languishing them in pain and in sorrow.

And they would turn again to the same direction with crying, shouting and

screaming Oh Oh Oh Oh Ah Ah Ah Ah continuously. This is how they suffer and ever remain with the tormenting fire. The fire of Hell is prepared to torment them forever and ever day and night without restrain. You are blessed for reading through these lines.

What further excuse can you give if after reading this book you still allow yourself to land in hell because of stubbornness to the Holy Spirit and our Lord Jesus Christ who is leading and convicting you to repentance and salvation or by carelessness as a child of God who already knows these things, Please be careful and be warned.

THE TRUE AND IMPARTIAL JUSTICE IN HELL FIRE

All the while I stood by the shore of hell fire one more thing was unique. That was the fact that, as soon as any person arrives hell fire he will immediately and genuinely know that he was not better for any other place but hell fire. He will know immediately that hell is his portion. The judgement of God is true among the millions and million of people arriving hell fire, none disputed their arrival to Hell fire. All the people, in hell fire and those who arrived hell fire in my presence were all seen as they were crying, and wailing in bitterness and torments, none cried or complain of injustice and none cried of not being adequately judged.

They all knew and fully realized that hell fire was their portion and merited by them, even the self righteous one's heard the same realization. As they cry, they are only crying for the pains and with regret wishing they had opportunity to come back to life to relive their life when they will never be stubborn to the living God and our Lord Jesus Christ. They wished they had a second chance. If you consider God's judgement untrue, when you get to hell fire you will realize the perfection of his judgment.

Endeavour to correct your life by true repentance from every known sin and be

converted by receiving Jesus Christ as your Lord and Saviour and hence forth live in obedience to the gospel of Christ, after confessing your sins. You can just kneel down and receive our Lord Jesus Christ into your heart before you continue, If you have not received him before. You will escape the damnation of Hell by true repentance and conversion and believing in our Lord Jesus

Christ and being washed from all your sins by the blood of Christ which by receiving Jesus Christ into your life. This is the only true basis of salvation. All others are deceptive and Satan designed to deceive people so that people will miss their salvation and go to hell fire, before they realize themselves.

But there will be no time for remedy after death or when the trumpet sounds for the rapture of the saints. Please be warned and make your determination and act immediately for your benefit by receiving our Lord Jesus Christ. Never procrastinate please and never postpone your receiving to tomorrow. It is the device of Satan to send people to hell fire before time.

Thanks if you have taken immediate action for the salvation of your soul by accepting and receiving Jesus Christ into your soul.

Mark 1:15

And saying, the time is fulfilled, and the kingdom of God is at hand: repent ye, and believe the gospel if you must escape the damnation of hell

At this point, if you are willing to repent from your sins and receive the Lord Jesus Christ into your heart for the salvation of your soul, stop reading, kneel down and sincerely say the following prayers with all your heart. If you sincerely say it, your sins will be forgiven and you will be save and given the gift of eternal life.

"Lord Jesus Christ, today I acknowledge I am a sinner I have sinned against you in many ways. (sincerely name some of the ways you can remember you have sinned against God) I have lived in disobedient to your word. This moment I

repent from all my sins sincerely. And with all my heart and mind I surrender myself to you Lord Jesus Christ.

I believe you died on the cross of calvary for my sins and the sins of the whole world

I believe you were buried and you resurrected the third day

I believe you are the only Saviour of mankind

I believe you are my Saviour and Lord

I believe you are the only Saviour of the world

I receive you this moment into my heart by faith

as my personal Lord and Saviour

Forgive me all my sins and all my unrighteousness

Wash me with your blood

Cleanse me from all my sins and all my unrighteousness

Save my soul and born me again with thy saving power and grace

I believe you have saved me now

This I pray in Jesus name, Amen".

If you said this prayer sincerely, believe that you are now a child of God having sincerely wherever you are received Christ by the prayer you have just said.

Continue from now to relate with Jesus Christ your Saviour by obeying his word, calling upon him every day in prayers, and forsake your sins. Do not continue in them again. You are now a special person, a child of God saved from sin by the blood of Jesus Christ. Endeavour to maintain your relationship with Christ. Use your determination to resist the devil and all his evil ways. Serve the Lord Jesus Christ in spirit and truth and all the days of your life.

If you said this prayer whole heartedly and you sincerely meant by the prayer that you have given your life to Christ and would not turn away from him again, fill the attached coupon, (Salvation Form) and send me the last page via my email iekwu@yahoo.com and I will send an my ebook a booklet that you will study to learn how you can keep your faith in Christ growing, without the devil stealing it from you.

Yours sincerely, **Innocent Ekwu**

CHAPTER 6

THINGS I SAW IN HEAVEN

After all the much that was shown to me in Hell fire, we later came back to Heaven to where I first arrived and where we started our journey from, going to the Kingdom and throne of Lucifer the fallen arch Angel also called Satan. And the land of Abyss the bottomless pit where Lucifer - Satan - will be thrown for one thousand years at which time our Lord Jesus Christ will be reigning on earth. And the land of Chains where I was shown the chains prepared and made ready with which Lucifer Satan - will be bound before he will be thrown into the bottomless pit called abyss.

And Hell fire the true horrible place of torments where I was shown lots of mysteries and horrible events as I have already discussed.

After all these much, we came back to heaven where I saw many things, some expected, some unexpected and surprising. But the important thing is that God showed these hidden things and mysteries to caution his children and raise further awareness and consciousness of these information so that people will not be taken unawares. So as you read these writings you should be cautious to learn from the revealed truth of our Lord Jesus Christ and dedicate yourself to the Lord Jesus Christ and his service as the Lord is urging you to come unto him.

THE STREETS OF HEAVEN

When I arrived heaven I walked pass the entrance gate of heaven and entered into heaven the abode place of the living God, the father of all the earth and our Lord Jesus Christ. I walked through the street of heaven. It is a wonderful and thrilling experience to walk on the street of heaven. It is glorious and wonderful. I saw the

streets of heaven and I walked on the streets. Heaven is a very big and large city and kingdom. It is not a *small* place, it is a designed kingdom to house billions of people of *all race* washed with the blood of our Lord Jesus Christ, making them worthy to enter the presence of God and his abode place. And more so to behold his face and glory. Heaven is a well organized and a highly excellent city. It is a well planned kingdom and excellently designed.

Heaven is the consummation and perfection of fineness and beauty. It is a place of life, joy, peace and rest.

The streets of heaven are well and properly designed and planned. Each street runs and join the other and leading to the other. The street is made of very pure gold and beautifully designed. When one is walking on the street of heaven one will not feel as though he is marching anything. All the while, I walked on the streets of heaven, I never felt as though I was marching anything like object, *as* one would feel if he march an element whether hard or soft.

The street of heaven is mirror like and glassy in nature so that as one walk on the street, he will be seeing himself as he would in a mirror. It is a glassy road made of Gold and beautifully designed.

THE MANSIONS IN HEAVEN

The mansions in heaven is a reality. I saw the mansions in heaven. They are neatly arranged and built in rows and lines and in streets. I was not in heaven to stay but was only caught up to see these things and to come back to confirm them to the people of the world. So I did not see the interior decoration of the mansions.

But as I watched, viewed and beheld the mansions in their exterior view the wall of the mansions are made of gold and glitters as one looks on it. It shines and sparkles as though there are mirror ingredients on the wall and one would see a glimpse of himself as he looks on the wall. The walls of the mansions shines and sweetens the heart as one looks at it. If you look on the wall of the mansion you will simply

feel happy and peaceful. It gladdens the mind of anybody who looks on it or sights it. It is a perfection of fineness and good designed.

MANY CHRISTIANS ARE ALREADY IN THEIR MANSIONS

The mansions are for us the children of God and many children of God are already in their mansions in heaven resting and waiting for the final arrival and return of those children of God who are still on the earth. Many of the mansions are already occupied by their owners in heaven.

Even in my presence, as many children of God were arriving in heaven they were being received by the Angels and were being giving their places of stay. Although not all Christians have mansions, some are living on the streets of Gold.

THE SOUND AND MOOD IN HEAVEN

Heaven is not a noisy place and it is not rowdy. In heaven there is no noise. Heaven is a quiet place. The only sound one will hear in heaven is that of sweet melodies and music of praise. The melodies and music are heart sweetening and gladdening. The melodies and music praises and extol God and his greatness and goodness.

The mood in heaven is one of perfect peace and joyfulness and rejoicing. More especially, the kingdom of heaven is filled with the glory of God and his supernatural presence makes heaven sweeter, thrilling and comforting.

THE ANGELS

I saw the Angels in heaven. They are very organized and; knows what to do at every moment of time. The Angels carries on their functions smoothly and cooperatively. Every moment they carry on what so ever God want them to do. The Angels are in grade. Some are Senior and more placed than the others. Some are cherubs with six

wings. All of them have their functions. The Angels are servants and Ministering Spirits. The children of God are more important to God than the Angels. The Angels serve the children of God in different forms.

They are God's messengers. It is wrong and a great abomination to worship Angels or serve them. It is also very wrong and an abomination to pray to Angels. Prayers prayed to Angels are not heard and are not answered as Angels have no capability to answer prayers or hear them when they are said. And they are not to be worshipped. They are messengers of God and serve the children of God as God directs them.

HEAVEN: WORLD OF PARADISE

Heaven is a world of paradise. Heaven is decorated with very beautiful flowers. And the flowers are very decently planted and arranged in rows like the mansions. The flowers contribute to make heaven a perfection of fineness and beauty. The flowers hear and listen to God's voice and they obey God's voice. It was in heaven there that I saw that even plants know the Lord's voice, hear it and obey and respect it. Heaven is a world of paradise, beautifully made and beautifully designed.

THE WEATHER IN HEAVEN

The weather in heaven is a very bright shining and glowing weather. The weather of heaven does not fluctuate like the weather of the earth.

There is no vagaries of weather in heaven. Heaven has a permanent and steady illuminating and glowing weather. In heaven there is no sun nor stars. There is no humidity or cloudy weather in heaven. Heaven is permanently bright and glowing as the presence of God and illuminates heaven permanently.

MULTITUDE WHO CAME TO HEAVEN IN MY PRESENCE

Millions and millions of people are already in heaven,- resident and resting, waiting for the final return of the children of God who are still on earth. While I was in heaven, multitudes of people of different race, colour, nations, tribes and tongues were coming to heaven in my presence. While I was inside in heaven looking at the entrance gate of heaven, I saw multitudes of believers, children of God arriving the gate of heaven and were being welcomed and received by the Angels into the kingdom of heaven.

People were coming to heaven as though heaven was their home town and that they only travelled and were returning back home. They came with confidence and just as a son goes into his own father's house. Multitudes of people are going to heaven for eternal rest. Endeavour to join the band of the children of God and do not let your self to miss heaven.

As the multitude arrive the entrance gate of heaven they all behave as though they are children of one father, although they never knew themselves. And all the children of God as they arrived in heaven love themselves and never push or quake one another. As many as they were they were passing through the gate in an orderly manner with regard for one another. This made me realize that on this side of the earth the Christians need to learn more on how to be united and cooperative as we are going to one kingdom of heaven. And we are children of one father.

THE ONLY IDENTITY IN HEAVEN

One would expect that the much we are crazy about denominationalism and even go extreme by fighting and quarrelling and condemning ourselves and one another that, when we go into heaven some churches or group of groups of believers will feature more prominently or be given more consideration or some special place but there was nothing like that in heaven. Through out the period i stayed in heaven, with all shown to me, I observed that the only identity in

heaven is Jesus Christ and his holiness, which comes from being washed in his blood. This is the only identity and criteria. Christ is the answer. He is our Saviour and our salvation. It is Jesus Christ and nothing else. If you come across any church which emphasizes any thing than relationship with Jesus Christ as basis for salvation, keep away from them for your life. In heaven there is no other identity except our Lord Jesus Christ and his blood. In heaven there is no denominationalism but whether you were repented from your sins and converted, whether you were born again and washed by the blood of our Lord Jesus Christ, is what matters. That is the only source and basis of salvation, any other, is a deception and error. Please be warned and be not deceived or misled. Jesus Christ is the only source of salvation and no other. All others are deception and trick of the devil to keep you away from true salvation and send you to Hell.

ACCOUNT IN HEAVEN

I observed that in heaven the works and Christian services of every believer is taking record of. Every believer has account in heaven. This is the record of his works and Christian services to the Lord after his or her salvation. On arrival in heaven, the record of the total services becomes the basis of the reward he receives from the Lord.

Most people are ignorant of this fact that there is an account in heaven of all our contribution to the Lord's service either in kind, form or cash. Now be informed and learn to be committed to the services of the Lord. This is the significance of what Jesus said in the Bible., "lay up treasure for yourself in heaven". Many children of God have nothing in their account while many has a lot in their account. You should be warned, so that you don't regret when you get to heaven., You should be serious in the services of the Lord if you are already bom again and learn to give sacrificially for the work of God so that your account will be one of honour and not one of shame and regret.

REWARD IN HEAVEN

When any believer arrives in heaven, his or her account is accumulated. As soon as he is received into heaven he or she will be rewarded according to what is in his or her account

Many have blank account, that is to say many have nothing in their account so they would not receive any reward but their soul will be save in heaven having received Christ as their Lord and Savior. Those believers who have much in their account will also rece

Rev. 22:12. *And, behold, I come quickly; and my reward is with me, to give every man according as his work shall be.*

CHRISTIANS ARE NOT EQUAL IN HEAVEN

I also observed that Christians are not equal in heaven. This is in respect of the kind and size of reward they received from God. Many children of God have no reward at all except for eternal life in heaven because they had nothing in their account as they sowed nothing when they were on earth, therefore has nothing to reap. They rendered no service to the Lord after they were saved from sin.

Many also received great reward while some received small reward. The reward of every Christian in heaven is not equal as their works and services to the Lord are never equal when they were on earth. Each believer reaped according to what he or she sowed while serving the Lord on earth.

THE CHRISTIANS IN THE STREET NOT ALL CHRISTIANS HAS MANSION IN HEAVEN

I was heavily worried as I observed that not .all Christians in heaven had mansion. The popular believe is that all believers are entitle to a mansion but I saw that while multitudes were welcomed and ushered into their mansions

some Christians in heaven had no mansion but they were allowed to stay by the side of the streets of gold.

There was a man who arrived after me in heaven. All the while I stood in heaven I had observed the angels receiving arriving Christians into their various mansions, and place of stay. But when this man arrived he was received by the Angels and was not giving any mansion but was led into the street. And I saw the man seated by the street side of one of the streets of gold in heaven. That was the portion of that man as he had no mansion. I was personally worried why so many were in mansions but he was kept in the street. Multitudes are in mansions but some are also in the street not granted any mansion. But their souls were saved in heaven.

It depends on what you sowed into the services of the Lord after you are saved. Not all believers rendered services to God after they were saved. Many spent their resources or wealth, energy, time etc. on earthly pursuit and would not give some for Gospel work. Let us learn to lay our treasures in heaven so that we can also reap hereafter.

THE THRONE OF GOD

The throne of God is in the centre of heaven. At a point in time I was made to face the throne from where our Lord Jesus Christ spoke to me four times giving me diverse information and messages to the people of the world and for his children on earth as you will read in the next chapter of this book.

Many also received great reward while some received small reward. The reward of every Christian in heaven is not equal as their works and services to the Lord are never equal when they were on earth. Each reaped according to what he or she sowed while serving the Lord on earth.

EVERY ONE IN HEAVEN IS REWARDED ACCORDING TO HIS LABOR

I was heavily worried as I observed that not all Christians in heaven had mansion. The popular believe is that all believers are entitle to a mansion but I saw that while multitudes were welcomed and ushered into their mansions some Christians in heaven had no mansion they were allowed to stay by the side of the streets of gold.

There was a man who arrived after me in heaven. All the while I stood in heaven I had observed the angels receiving arriving Christians into their various mansions, and place of stay. But when this man arrived he was received by the Angels and was not giving any mansion but was led into the street. And I saw the man seated by the street side of one of the streets of gold in heaven. That was the portion of that man as he had no mansion. I was personally worried why so many were in mansions but he was kept in the street. Multitudes are in mansions but some are also in the street not granted any mansion. But their souls were saved in heaven.

It depends on what you sow into the services of the Lord after you are saved. Not all rendered services to God after they were saved. Many spent their resources or wealth, energy, time etc. on earthly pursuit and would not give some for Gospel work. Let us learn to lay our treasures in heaven so that we can also reap hereafter.

CHAPTER SEVEN

JESUS CHRIST SPOKE TO ME FOUR TIMES FROM HIS THRONE

After all the much I was shown and made to see, at a point in time I was made to stand facing and looking towards the throne of the Lord in the centre of the heavens.

THE VOICE OF THE LORD

As I stood looking towards the throne, the voice of the Lord sounded from the throne like the sound of many thunders. As the voice sounded, I saw all the flowers stood still and at attention. They stopped waving and the leaves stopped dangling immediately the voice of the Lord sounded in the air from the throne. And all the Angels stood at attention. Every Angel stood still wherever they were when the voice of the Lord sounded. And they stood still until the sound of the voice subsided. As I have never been there before I did not know the tradition in heaven. So I stood the I like, facing the throne with my two legs opened, suddenly a mighty unseen power hijacked me and lifted me up and stood me at attention by force like the Angels and the flowers. It was then I realized a great deal indeed that Jesus Christ is the King of Kings and the Lord of Lords. i

As the voice of the Lord sounded, the whole heaven shook and quaked until the voice subsided as if the foundation of heaven was shaken. And I realized that Jesus and His word is the foundation and pillar that holds the heaven and the entire world.

So as the entire heaven stood still and in total silence, the Lord spoke to me four times the following words in quote.

1. "I have shown you these things that are real. Go and confirm them to the world".

Then there was a pause and later he spoke to me for the second time saying the following words.

2. "I have sent you to save the world and heal the world do not think any other thing"

Then there was a pause and later he spoke for the third time to me saying the following on quote,

3. " I am raising more people to save the world"

Then there was a pause and later he spoke for the fourth time to me saying the following on quote.

- (4) "Go and tell my people I am coming very soon"

These are the four statements the Lord spoke to me with his own mouth.

Then I realized that the Lord designed that I be shown these things in order to confirm them to the people of the world.

Dear reader, take these things serious and obey the conviction the Lord is giving to you in your heart as you are reading through these pages and do accept our LORD AND Savior Jesus Christ as your personal Lord and Savior if you have not done so.

CHAPTER 8

HOW I RETURNED TO EARTH AND REGAINED FULL CONSCIOUSNESS ON THIS SIDE.

As soon as the Lord finished speaking to me those four statements of instruction, an angel came to me and gave me a long and sharp two edged sword and put it in my right hand. And gave me a key putting it in my left hand.

Immediately after that another mighty Angel shouted with a loud voice unto me saying in quote "Go back". He was ordering me to go back to the earth. Incidentally, I refused because I preferred to stay there than to come back to the sinful and crooked earth. But as I refused and insisted in my heart not to come back, a heavy power in form of a mighty wind flowed towards *me*, to carry me and transport me back to the earth. I insisted on staying in heaven by stooping down and pinning my feet down and bending over and I tried to pin my legs hard on the Golden floor of heaven so that the wind will not carry me to bring me back to the earth. But can I contend with the power of Heaven, especially, as Heaven has ordered that I must come back to confirm these things to the world? So the wind hijacked me and I only saw that I was stretched by the wind leg wards and was being transported back to the earth. So all I did was to start crying, shedding tears. We travelled until suddenly, it appeared the wind carrying me hit another object and about then I felt like I was being inserted or fixed into a hollowed vessel. Few moments after, I opened my eyes and saw crowd of people sorrowing and some crying.

I remembered the sword and the key put into my hand in heaven, so the first thing I did was to look in to my hands and I did not see the swords and the key. So I made the first statement to people around saying "where is my sword and my key". They brought a Bible to me and i said no. They did not understand until later when I said "I was given a sword and a key to come back to this world". This was how I was caught up temporarily in the spirit into the heavenlies and was shown all these mysteries and was brought back to consciousness.

CHAPTER 9

MY ENCOUNTER WITH LUCIFER AND THE FORCES OF DARKNESS

After the incident, while I was still confined to regain bodily strength as I was still weak bodily, some days after, in the night, I heard a voice spoken by the side of the room saying to me that on the fortieth day he would take the power given to me to go round the world to tell these revealed mysteries. The voice meant that I would be severely troubled for those period by which time Satan intend to make enough blockade to the spreading of these revelations.

LUCIFER APPEARED TO ME

While I was being worried by the meaning of the voice I heard, suddenly by 2 am dot of 2nd August, 1991 a man appeared in my room with a mighty wind and on white apparel even though the door was locked, he passed through it and he came in very swiftly like a kite to its prey. The figure looked more like an Angel than Satan but it was Satan himself. He came straight having on his white apparel and touched my left wrist and two of us (me and Lucifer) disappeared from my room and found our selves in a place that look like a desert place where I encountered and battled with him. When I looked into his face seeing he is Lucifer and not an Angel, I battled with him there, commanding him in the name of Jesus Christ and on the command there was an explosion AND FLASH OF FIRE he vanished and I appeared back in my room.

Since then I encountered the kingdom of darkness terribly until the fortieth day in their bid lo stop me from telling these mysterious revelations as the Lord commanded me, to confirm these things to the world. should. Certainly, if you are reading these things the devil did not want you to read them, so be very serious in the worship of Lord and Savior Jesus Christ, with commitment.

OTHER ENCOUNTER WITH LUCIFER AND THE KINGDOM OF DARKNESS

Below are some of my other encounter with Lucifer and the kingdom of darkness within the forty days period of my encounter with them after the incidence of the heavenly revelation.

On another occasion which was 14 August, 1991 at about 11 pm a demon suddenly appeared in my house like a python. After screaming of I bind you in Jesus name by my house attendant the python vanished. On the 15th August, 1991 in the early morning hours at about 2 am some group of evil spirits came again to my house and started knocking the things in the house against one another. One will not see them but only hear the table and things being hit against each another. I realized the forces are at work so I gave an order in the name of Jesus stopping them, then they started running away. It was only then as they were running away that I was able to see the figures of some of the spirits. Many mysterious manifestations happened as the devil tried his best to stop the spread of the heavenly message. He fought and attacked me in many ways and forms but the power of the name of our Lord Jesus Christ prevailed over the forces of darkness as the gate of hell shall not prevail.

On the same 15th of August, 1991, at about 7:30 am, another wild and horrible looking snake suddenly came into the room with all the doors and windows locked. The snake which was not ordinary snake but a demon only coming like snake stayed on the upholstery chair where my house attendant was lying on. Immediately it appeared and started crawling towards me, I had a feeling and sensation and I turned immediately towards the snake. It continued crawling towards me with bitterness and I looked straight into the eyes of the snake when our eyes met it was like two forces clashing against each other, I and some neighbor took knife in attempt to kill the snake but it vanished. It was a wild one.

Many things mysterious and fearful happened in the bid of Satan to frighten me and stop me from spreading the heavenly message to people. Many of them horrible and fearful, many of them very mysterious and unexplainable and incomprehensible.

THE TWO LADIES THAT CAUSED MADNESS TO MY LANDLADY

Another baffling encounter I had with the devil was on the 9th of August, 1991 by 7:00pm, two ladies suspected to be demons spirits or their agents came to my house attendant at the period I was confine to regain strength bodily. They gave my attendant a plastic bag containing banana and fruits and told her to give the bag to me. When my attendant brought the bag to me, the Holy Spirit had indicated that the contents of the bag was from Lucifer and the kingdom of darkness. Anybody who eat anything from the bag would die so I warned my attendant that nobody should eat what is in the bag else the person would die as the things are from Satan and his agents. I told her to keep it so that it will be later burnt and destroyed. I told her to run immediately after the two ladies to try to call them for me but they had gone hurriedly. Later my landlady said she would want to see the bag and what was inside it. Perhaps she was skeptical hearing that the devil sent it. I kept the bag on the floor for her to see. She bent down trying to peep into the bag, suddenly and instantly it was like a lion jumped out of the bag into her and she became mad instantly on the spot and ran wild in to the nearby bush tore her clothes and would not be tamed. She ran out wild and helter skelter screaming and bitterly possessed. It took us some time to cast out all the demons that went into her from the bag and she came to her senses by the mercies of God. She confessed later when she regain herself that when she peeped into the bag some forces and something from the bag entered into her body and she lost her senses. It was only when she got mad that all the other neighbors ran away from the bag and it was later burnt and destroyed by our Christian staff.

THE PYTHON THAT SPOKE

Another horrible encounter I had with Satan the king of the forces and power of darkness in his bid to stop me from spreading the heavenly message was on 23rd August, 1991, in the afternoon. Lucifer in form of a mighty python appeared and the python spoke which made me know it was Lucifer. The python said to me in quote with much anger and fury "**You came to my throne, you came to my throne, you came to my throne, I will trouble you**" And it vanished.

THE HUMAN SKELETON THAT MET ME IN THE ROOM

Another of Satan's manifestation with much fear and horror against me in his bid to stop the spread of the heavenly message was on 29 August 1991 in the afternoon, when suddenly a human skeleton appeared in my room. The human skeleton was like what one would normally see in a biology laboratory. It had no atom of flesh but simply a skull and the rib bones and the hand bones and the leg bones. When the skeleton appeared spontaneously, it started moving from one corner of the room to another. I was seated in the room when he appeared, so as soon as I saw him I was surprised but I knew it was Lucifer and I started watching it as it moved round the room.

Suddenly the skeleton spoke to me confirming he was Lucifer. The skeleton said in quote to me "**I will never cease to trouble you because I will never sit, watching you going round the world to destroy my kingdom**" As soon as he finished speaking he vanished immediately. It was fearful and mysterious for him to talk. That was my last encounter with Lucifer and his forces within the period in his bid to stop me at all cost from spreading the heavenly message.

Today the heavenly message is being spread through tapes, books and oral proclamation, Endeavour to take heed to these messages and reconcile with your Savior Jesus Christ by true repentance from every known sin and receive him into your heart by faith believing in him as your personal Lord and Saviour who died

for your sins on the cross of Calvary.

If you have already repented and given your life to Christ take heed to the things I saw in heaven, be dedicated to the service of our Lord Jesus Christ and lay your treasures in heaven so you can have reward in heaven. Surely you would not want to live in the street of heaven but in a mansion. So live faithfully and be dedicated to the works and services of the Lord.

CHAPTER 10

UNDERSTAND AND BELIEVE THE MESSAGE YOU HAVE HEARD.

Now that you have read through this heavenly message and revelation, one thing remains. Surely, you understood the message, having taking all the time to read from the beginning to this point, What remains is your response to this God-given message.

Many read a lot and rush through the contents of many books, but not all take heed to the message conveyed on the pages of the books they have read. This temptation should not befall you in this. More so, the message in this book is not the type to read and dump. You must take heed to the counsel of the given revelation and you must respond positively towards a better relationship with our Lord Jesus Christ. The Bible encouraged us in similar direction saying "Blessed is he that readeth, and they that hear the words of this prophecy, and keep those things which are written there in for the time is at hand" (Rev. 1:3. *Blessed is he that readeth, and they that hear the words of this prophecy; and keep those things which are written therein: for the time is at hand.*)

It is very important that you take heed to the messages you have read in the pages of this book by responding very positively to the urge and conviction which the holy Spirit gives you in your heart while you were reading through the heavenly messages. The Holy Spirit surely must have given you some convictions and encourage your heart towards accepting Jesus Christ our Lord as your personal Lord and Saviour. Obey the conviction of the Holy Spirit and endeavor to yield life to Christ and enjoy the gift of eternal life and peace from God.

GOD HAS CONFIRMED HIS WORD

God had long ago and in sundry times spoken to men through the Holy Scriptures about his holy proclamation and the way unto life. He did not keep man in doubt about the realities of his creation and his relationship with man. In previous times, he had spoken in confirmation of his word in sundry manners and forms. God had never failed to confirm his word in the Holy scriptures again and again by various method to call people to believe in Him and to encourage the skeptics, doubters, unbelievers and sinners to consider their ways and reconcile with the Lord their God through repentance from sin and faith in our Lord Jesus Christ.

The revelation written in this book is but once again God's confirmation of his word and the realities of his counsel and testimonies.

As discussed in this book, God has confirmed the narrowness of the way to salvation and heaven. This implies that Salvation is an individual matter and affair. It is a personal decision. Not even a husband or wife can decide for the other, not even parents or children can decide for the other. Do not be fooled to think that the issue of salvation and eternal life is one of group affair. Do not depend or consider others for your salvation. It is solely your personal decision. You must make up your mind and decide for Christ and eternal life in heaven and let no body stop or discourage you.

God has confirmed again the reality of satan and even the bottomless pit where he will be thrown into very soon. Some has said skeptically that there is no satan. But you have now read that satan is real according to the word of God. Do not let satan deceive you by his evil work and devices. He has already deceived and misled many who are already perishing in hell fire . Beware and take heed to the word of God.

God has also confirmed once "again, as ever, the reality of Hell fire. Many times, I have heard people say GOD IS too good lo send anybody to Hell fire to burn forever and ever. This is SSatan's deception and trick to deceive many. I saw hell, it is real and it is a

terrible place. Only, your refusal of our Lord Jesus Christ as your personal Lord and Saviour and your refusal to turn away from your sins and receive him in to your heart will send you to hell.

Hell fire is real. Please be warned and repent and be save now by receiving Jesus Christ in to your life, while there is time because later may be too late. Many are already perishing in Hell, don't be careless and don't join them. Please turn from your sins and meet Jesus Christ for your Salvation now.

God has also confirmed the reality of heaven as the dwelling place of his children. He has also confirm that there is reward in heaven, where every child of God, those who repented from their sins and washed with the blood of our Lord Jesus Christ), will be rewarded according to their individual labor and works for the Lord and his service. This is where many Christians will be disappointed as they will have no reward except that their soul will be saved because they laid no treasure in heaven. This is the need to lay treasure in heaven so that we can reap them again. This message is for children of God. If you are, please be informed. Do not be rich here and be poor over there. Endeavour to sow for the work of God especially soul winning. Lay your treasures in heaven and you will be rewarded greatly. But if you do not, be warned, you may have to regret,

GRASP THE MESSAGE

By all these revelation, as you have read them, God is sending a warning to the unbelievers and sinners, including the Backsliders. God is warning them to repent and retrace their steps to salvation in Jesus Christ. Many knew the Lord but have fallen away, many have refused to be converted from sin to righteousness. Soon you will have to **complain** in Hell if you reject Christ for your salvation now that you are alive. Believe God's warning und repent and save your soul.

God is by these revelations telling those that believe in his name to be steadfast and abide in him as the time for the second coming of our Lord Jesus Christ is near and

at hand. God knows your travail and difficulties. He is encouraging you to be strong and sustain your faith in Christ. The Bible says that he that endures to the end shall be saved"

God has said he is raising more people to save the world. As we are in the end of the last hour. God is raising more people-to save the world. If God wants to use you for the last hour harvest of the perishing world unto eternal life, do not resist or delay, but follow him.

The Lord is coming very soon as he has said. Everything we do as he has said, must be with the urgency of the time. We must not let the time and the season overtake us.

We must cast away all the little sleep and slumber and encourage our heart unto more zealous work for the Lord towards the winning of souls that are willing to believe the gospel unto the saving of their souls to for the kingdom of heaven.

Conclusively, the response God demands from us as children of God is total commitment and true dedication and consecration to our Lord Jesus Christ and sacrificial effort in his service and works.

And to you, if you are an unbeliever and a sinner, if you are not saved, God demands from you genuine repentance from sin and faith in our Lord Jesus Christ who is the only saviour of mankind.

Please take heed to these words and do not be deceived or mislead. The time is at hand, enter into the path way of eternal life and abide their in. That pathway to eternal life and heaven is Jesus Christ.
